FILING INSTRUCTIONS

Broadcast station licensees are required to afford equal opportunity to all qualified persons and to refrain from discriminating in employment and related benefits on the basis of race, color, national origin, and sex. See Section 73.2080 of the Commission's Rules. Pursuant to these requirements, a license renewal applicant who employs five or more full-time station employees must file a report of its activities to ensure equal employment opportunity for women and minority groups (that is, Blacks not of Hispanic origin, Asians or Pacific Islanders, American Indians or Alaskan Natives, and Hispanics). If minority group representation in the available labor force is less than five percent (in the aggregate), equal employment opportunity (EEO) program information for minority group members need not be filed. However, EEO program information must be filed for women since they comprise a significant percentage of virtually all area labor forces. If an applicant employs fewer than five full-time employees, no equal employment opportunity activity information need be filed.

A copy of this report must be kept in the station's public file. These actions are required to obtain license renewal. Failure to meet these requirements may result in license renewal being delayed or denied. These requirements are contained in Section 73.2080 of the FCC Rules (47 CFR 73.2080), and are authorized by the Communications Act of 1934, as amended.

☒ If your station employs fewer than five full-time employees, check the box at left, complete the certification below, return the form to the FCC, and place a copy in your station's public file. You do not have to complete the rest of the form.

If your station employs five or more full-time employees, you must complete all of this form and follow all instructions.

☐ If minority group representation in the available labor force is less than 5 percent (in the aggregate) and you choose not to file EEO program information for minority groups, check the box at left and complete the rest of this form with only the information for your program directed towards women.

CERTIFICATION

- B. By a partner, if a partnership (general partner, if a limited partnership);

This letter concerns your pending request for authority to remain silent. Temporary authority is hereby granted for the above-referenced station to remain silent for three months from the date of this letter.

On December 11, 1991, the Commission adopted a Report and Order (copy attached) which amended Part 1 of the Commission's Rules, to implement Section 5301 of the Anti Drug Abuse Act of 1988. Ms. Donna R. Searcy
Secretary
Federal Communications Commission
Room 222
1919 M Street, N.W.
Washington, D.C. 20554

Dear Ms. Searcy:

I hereby request FCC approval for station KDLB(AM), Henryetta, Oklahoma to remain dark for six months, to and including December 1, 1991.

Economic circumstances beyond the control of Fisher Broadcasting, Inc. ("FBI") and its principals Larry Fisher, George Hicks, and Robert Jones have made it impossible to currently operate KDLB. We are actively looking for a buyer for the station and believe it is in the public interest to seek authority to stay dark while we pursue a sale.

Thank you very much for your consideration of this request.

Very truly yours,

Larry Fisher
